# THE OAK RIDGE MUSIC LEGACY PROGRAM

*THE BEAT GOES ON....*

## MUSIC MAKES A DIFFERENCE

The goal of the Oak Ridge Music Program and the Music Boosters is to continue to develop awareness of and advocate music and arts education through partnerships with teachers, administrators, parents, alumni and corporate sponsors. The ensemble experiences contribute to student training, growth, development of self worth, accountability and leadership potential, as well as life long learning and appreciation for music and the arts.

At a time when schools and districts continue to struggle with budgets to keep music education as a part of their core curriculum, it is imperative schools, parents and organizations band together to prevent this from happening at Oak Ridge High School. A vast amount of scientific research shows that children who study music experience greater success in all of their studies, exhibit better ability to work in teams, have enhanced creative and critical thinking skills, have higher average SAT and ACT scores as well as higher graduation rates.

The Oak Ridge Music Program continues to provide exceptional platforms for student performance and education in marching band, symphonic band, wind ensemble, jazz ensemble, percussion, guitar, chamber singers, baritone, treble ensemble, a cappella, general chorus and chorale.

It is our goal to ensure that every student at Oak Ridge High School has access and opportunity to participate in active music making in his or her scholastic environment.

How can you help? By contributing to the Oak Ridge Music Legacy Program The beat goes on...
